Letter No MR PL 486 C 2269 of 14-15 & 266 from the DC Shimoga DL recommending sanction in the circumstances explained, to the grant of Rs 100/- towards the repair of the dwelling huts of the ML sweepers of the Tirthahalli Minor Municipality

It is reported that the sweepers of the Tirthahalli Municipality represented to the ML CL that they might be provided with proper dwelling facilities, as they have been housed in a marshy place subjected to Malaria. Accordingly the ML CL considered their prayer at their meetings and got prepared an estimate of cost for the provision of better dwelling accommodation to them, as there was every chance of these sweepers going out of the place, in view of their said inconvenience at the place and thereby making the Municipality suffer for want of sweepers. The cost of the scheme worked out to be Rs 1119/- Thus, the ML CL deemed to be very heavy in consideration of the financial resources of the Mlity. However, they resolved to grant Rs 100/- as a temporary relief, for making necessary repairs to the existing huts so that they can stand winds & rain during the rainy season. The expenditure is proposed to be met out of the closing balance of the Mlity for 14-15. But as the year has ended it may perhaps be met out of the current year's closing balan

Sir,

Subject - Proposal of the Tirthahalli Minor Municipal Council for sanctioning a Grant of Rs 100/- to the sweepers of the said Municipality, in order to enable them to get repaired their dwelling huts against the Monsoons

-oOo,-

I have the honour to state that Government in their order No L 1760-1/M1 104-44-4 dated 18th August 1944 sanctioned the proposal of the Tirthahalli Municipal Council for the grant of sum of Rs 100/- one hundred to the Sweepers of the Municipality for repairing their dwelling huts during the year 1943-44

The Municipal President reports that the sweepers of the Municipality presented a petition stating that they might be provided with proper housing facilities in view of the fact that the place in which they live at present is situated in a marshy place and is subjected to malarial effects Necessary estimate was got prepared to provide them with proper housing accommodation The estimated cost of the Scheme worked out Rs 1119/-

The Municipal Council at its meeting held on 13-3-345 considered the question and passed a resolution to the effect that it was not possible to spend such heavy amount for the present viz Rs 1,119/- in view of its existing financial condition The Municipal Council further resolved that arrangements may be made to re-roof their existing huts with a view to protect them from wind and rain and that only a sum of Rs 100/- be sanctioned for the purpose, as grant from the Municipality, the expenditure being met from the closing balance at the credit of the Municipality

p t o

The Municipal President states that in its present financial condition, the Tirthahalli Municipal Council is not in a position to extend such a heavy amount of Rs 1,119/- He adds that the Municipal Council might be permitted to sanction a grant of Rs 100/- only (Rs one hundred only) to the sweepers of the Municipality during the current year 1944-45 to enable them to get their quarters repaired as otherwise, there is every liklihood of the sweepers leaving the place i e Tirthahalli Town causing unnecessary dislocation in respect of the work connected with the cleaning of the Town

In the circumstances, I request that sanction of Government may kindly be obtained to the proposal of the Tirthahalli Minor Municipal Council to grant a sum of Rs 100/- Rupees one hundred from out of the Municipal Funds, to the Sweepers of the Municipality during 1944-45, the expenditure being met from the closing balance the credit of the Municipality

The entire records received from the Sub Division Officer, Shimoga vide his Memo No F Dis R1 c 558-61/44-45 dated 20-3-45 are forwarded herewith for favour of reference

I have the honour to be,

Sir,

Your most obedient servant
